**Communicating Processes Architectures 2018:
Proceedings of the 40th WoTUG Technical Meeting**
Author Declaration and Licence

Dear Editors,

I have just submitted the final camera-ready copy of the paper and related abstract and notes described below:

TITLE:

(the “**Paper**”, which term shall include any related abstract and notes)

AUTHOR(S):

(each an “**Author**” and together the “**Authors**”)

which has been accepted for publication in the proceedings of the conference entitled “Communicating Process Architectures 2018” (“**CPA 2018**”), which takes place from 19th to 22nd August 2018 at the Technische Universität Dresden.

I understand that the proceedings will be published by IOS Press pursuant to an agreement with the Technische Universität Dresden (the “**Agreement**”).

I hereby warrant to the Technische Universität Dresden that:

- i. *the Paper is the Author(s) original work, created by the Author(s) except for material licensed for inclusion, material in the public domain, or excerpts from other works legitimately included with the written permission of the copyright owner;*
- ii. *the Paper has not previously been published and, to the best of the Author(s) knowledge, does not contain anything that is libellous, illegal or that infringes any copyright or other rights of agreement, licence, duty of confidentiality, or duty to respect privacy;*
- iii. *the Paper includes clear notice to the reader as to the safety or lack thereof of any formula, method or procedure, whether followed by human or machine, with regard to any person or persons or property thereof, when used in any context or upon any event;*
- iv. *the Paper, to the best of the Author(s) knowledge, does not contain anything that is obscene, indecent, or defamatory, and that all statements purporting to be facts are true;*
- v. *the Paper, to the best of the Author(s) knowledge, does not contain anything that is liable to give rise to any criminal prosecution or civil action for damages or any other remedy.*

I agree to indemnify and keep the Technische Universität Dresden indemnified against all actions, suits, proceedings, claims, demands and costs (including any reasonable legal costs or expenses incurred and any compensation costs and disbursements paid by the Technische Universität Dresden on the advice of its legal advisers) occasioned to the Technische Universität Dresden in consequence of any breach of the above warranties or arising out of any claim alleging that the Paper constitutes in any way a breach of the above warranties.

I understand that the Author(s) will retain the copyright and other intellectual property rights in the Paper and that IOS Press will retain copyright and other intellectual property rights in the CPA 2018 proceedings.

I hereby grant to the Editors, CPA 2018, and to the Technische Universität Dresden a licence under the copyright in the Paper to copy and adapt the Paper for the sole purpose of including it in the CPA 2018 proceedings, and to grant to IOS Press the sole and exclusive right and licence to produce and publish the CPA 2018 proceedings in the English language for the duration of the Agreement throughout the world.

I further hereby give permission for the PDF image of the final Paper and other materials, such as presentation slides, created by the Author(s) in relation to the paper at CPA 2018 to be made available in the public on-line repository maintained by WoTUG.

I hereby assert my moral rights under Chapter IV of Part I of the Copyright, Designs and Patents Act 1988 to be identified as an author of the Paper.

Yours sincerely,
